

TERMITE ACADEMY

2 DAY
EVENT

FEBRUARY 8-9, 2022

Don't miss the opportunity to participate in this training event.

The Pest Control Operators of California, in association with University of California Berkeley, are hosting a two day virtual workshop on termite control. You won't want to miss this unique training opportunity! This virtual workshop will help you better understand termite control and identification techniques. Learn about WDOs, writing WDO reports, sales techniques, common violations, controlling WDOs and much more.
