

PCOC's Legislative Day

March 20-22, 2023

Hyatt Regency Sacramento
1209 L Street, Sacramento, CA

Our key goal each year is to have members from our industry meet directly with their legislators and discuss industry issues. With term limits, many legislators are just not that familiar with the structural pest control industry and how important the industry is to their constituents. Legislative day is our opportunity to sit down and explain the vital services that our industry provides to the people of California.
